

Strength In Autism

Strength In Numbers Foundation

1st Annual Donation Request For Raffle Ticket Items

Strength In Numbers Foundation needs your help to make our Raffle Ticket Drawing a success!

We're hosting a Raffle Ticket Drawing on April 20, 2024 as a way to raise funds for our 2nd Annual Walk For Autism Event!

In order to make our Raffle Ticket Drawing a reality, we are seeking unique and interesting items to raffle off. We would like to ask your company if you'd be willing to donate any items that we could raffle during our event?

Your generosity means the world to me because portions of the proceeds will be donated to TABI (Texoma Autism & Behavior Intervention School). Portions of the funds will also go towards organizing The Walk For Autism Event on an annual basis so that we can continue to support, educate the community, and advocate for families with Autistic children.

For event information or 501c3 verification status please feel free to contact Marchello Anderson at 405-795-7769 or email at Marchelloanderson.sinf@gmail.com

Any item you could donate would help.

Name of Business: _____
