Strength In Numbers Foundation Walk For Autism Business Sponsorship

Strength In Numbers Foundation needs a hero like your company

As a leader at Strength In Numbers Foundation I understand the pressing need for support, education, and advocating for Autistic Awareness. Strength In Numbers Foundation will be hosting its 1st Annual Walk For Autism April 15, 2023.

Portions of the proceeds will be donated to TABI (Texoma Autism & Behavior Intervention School). Portions will also be set aside for families with Autistic Children to help provide resources and be able to do fun activities with the kids and family such as movie nights, bowling, or even taking field trips. Portions of the funds will also go towards organizing The Walk For Autism Event on an annually basis so that we can continue to support, educate the community, and advocate for families with Autistic children.

To make this event a success, we need the support of generous businesses like you!

Any amount would help! Below you will find our donation options.
